To whom it may concern:

I am pleased to write this reference on behalf of Maite Velez to recommend her for an early childhood teaching position. I have known her for several years as a student at Mass Bay Community College.

Maite has a tremendous amount of knowledge in the field of Early Education and Care. As a student, she demonstrated competency in designing developmentally appropriate curriculum, documenting children's observations, building positive relationships with families, presenting herself as a professional educator and being a team player.

Maite is highly conscientious in her work and meets deadlines on a timely manner. She seeks help whenever she is in need, takes suggestions with ease and is most willing to accept criticism and consider new ideas. She is a very responsible person with strong work ethics.

I am pleased to write this reference for Maite. She has a passion for working with children. If I might offer more detailed information of my association with her, please do not hesitate to call me at (617) 365-6344.

Sincerely,

Rita J Rzezuski
