

**Be one of our speakers at Educamp2023!**

**Call for the submission of unpublished research papers in higher education**

**TRACK: Research and Academic Integrity**

**Designing the Education of the Future: Contributions to Educamp2023**

The objective of the **International Congress Educamp 2023: Designing the Education of the Future** is to generate spaces for the strengthening of innovative teaching models through research, exchange of experiences, and reflections to be applied in the design of the higher education of the future. This edition of Educamp2023 is co-organized by the Center of Excellence in Teaching and Learning (CE2A) of the University of Engineering and Technology (UTEC-Peru) and the Faculty of Social Sciences and Humanities of the Escuela Superior Politécnica del Litoral (Espol-Ecuador). It will be held on September 14 and 15, 2023, in virtual mode.

This fourth edition of Educamp includes, for the first time, a call for publishable papers to report on research projects and their results in the field of higher education and design proposals to respond to future challenges. Contributions that positively pass the rigorous process of blind peer review by the scientific committee of the congress and our strategic ally Revista Tecnológica Espol (RTE) will be presented at the congress and published in a special section of issue 3 of volume 35 of RTE (expected publication date: December 30, 2023). More information about the journal: [www.rte.espol.edu.ec](http://www.rte.espol.edu.ec)

**Type of contributions accepted:**

Scientific or technological research articles, review articles, and opinion articles.

**Topics:**

- Educational management and policies.
- University and Society
- Technology, innovation, and educational research
- Learning design and training
- Well-being and diversity
- Trends and Technological Advances in Education

**Language:**

Papers will be accepted in English and Spanish.

## Submission and author information:

- Submissions of proposals will be by mail: [educamp@utec.edu.pe](mailto:educamp@utec.edu.pe)
- Please indicate in the subject line that it *contributes to Educamp2023 and the Special Section: Designing the Education of the Future*.
- Proposals will be received in the RTE format (attached author's guide available in Spanish and English).
- Spanish authors' guide:  
[https://docs.google.com/document/d/1UB7baitMicbk19yil14vWHlrBbU2P7aT/edit?usp=share\\_link&oid=117228343103318444215&rtpof=true&sd=true](https://docs.google.com/document/d/1UB7baitMicbk19yil14vWHlrBbU2P7aT/edit?usp=share_link&oid=117228343103318444215&rtpof=true&sd=true)
- English authors' guide: [https://docs.google.com/document/d/1ceCaHd4oTVB-iDc3nubQtdO66dD74luN/edit?usp=share\\_link&oid=117228343103318444215&rtpof=true&sd=true](https://docs.google.com/document/d/1ceCaHd4oTVB-iDc3nubQtdO66dD74luN/edit?usp=share_link&oid=117228343103318444215&rtpof=true&sd=true)
- The submission must include the complete article in the template provided by RTE.
- The abstract in Spanish and English should be included, which should synthesize the content of the paper and should contain between 150 to 250 words.
- The topic to which the article corresponds should be mentioned.
- The article should be around 5,000 to 8,000 words, not including references.
- APA 7 format should be the guideline for the manuscript, citations, and references.
- In a separate document, please indicate authors' names, affiliations, e-mail addresses and ORCID.
- Abstracts or incomplete articles will not be accepted for review.

## Important Dates:

- Call for papers announcement: May 25, 2023
- Paper submission deadline: July 15, 2023
- Blind peer review period: July 15 to August 15, 2023
- Communication of accepted articles: August 19, 2023
- Presentation of articles at Educamp2023: September 15, 2023
- Submission of selected articles to the RTE platform: until September 30, 2023
- Publication of articles: December 30, 2023
